Dianne:

Please see Bill's message below regarding the surcharges for the five homeowners in Division I that we discussed at our meeting.

As I recall, Gordon said he still has the QuickBooks records which would help us determine the last surcharge that was issued before Compass dropped the ball. Please contact Gordon to see if he can send those to you, and we'll talk about the wording for those five invoices.

Thanks,

Joe

Joe, listed below is the mowing an electricity charges of division one.

lot	homeowner	mowing	electricity	Total
4	Don challman	\$ 75	\$ 31	\$ 106 - <i>Don + Mary</i>
17	John Szentes	\$ 75	\$ 31	\$ 106 - <i>John + Mary</i>
18	Joe Molitor	\$ 75	\$ 31	\$ 106 - <i>Joe + Jacqueline</i>
19	Mark Wagner	\$ 75	\$ 31	\$ 106 - <i>Mark + Dianne</i>
8	Robert McDougall	\$ 75	\$ 31	\$ 75 - <i>Robert + Christine</i>

Electricity charge is based on a flat fee of \$125 per year. The other option we have is to let them take care of the drainfield and pay electricity charge themselves. If we did this we would have to monitor the drainfield , give me your thoughts on life homeowners take care of it themselves.
